Super U La Tranche-sur-Mer, France

PRODUCTS USED: Expona SimpLay PUR

Around 1400m² of Polyflor's Expona SimpLay PUR loose lay luxury vinyl tiles were used for a refurbishment project at Super U supermarket, La Tranche-sur-Mer, France.

A variety of wood, stone and textile effects from the Expona SimpLay PUR collection were fitted by DMC Habitat in the grocery, bakery, clothing, homeware, leisure and electricals departments of the store. The seven Expona SimpLay designs chosen were Grey Mystique Wood, Grey Country Oak, Dark Country Oak, Light Grey Concrete, Dark Grey Concrete, Slate and Brown Leather.

The Expona SimpLay collection of loose lay vinyl tiles and planks for heavy commercial interiors offers authentic reproductions of beautiful natural materials presented in an adhesive-free, ready to lay product designed to reduce installation time.

Expona SimpLay's unique, non-skid honeycomb backing layer and thicker 5mm gauge ensures that the tiles stay in position to create a robust and hardwearing floorcovering for high traffic, heavy commercial environments such as the retail sector.
