LUXURY VINYL TILE COLLECTION

Introducing the

CAMARO™

LUXURY VINYL TILE COLLECTION

Front Cover: LPQ2257 Naked Blond Oak Large Parquet with PLK2257 border

The Camaro flooring collection of Luxury Vinyl Tiles (LVTs) has been developed with you and your home firmly in mind. Following extensive design, trend and performance research, our experienced product designers have hand-selected a balanced collection of floor coverings. The beautiful Camaro range features small and large parquet, as well as stunning wood and stone designs.

Guiding you through the selection process for choosing your new floor, we provide you with all the inspiration you need to refine your home décor scheme. Browse through dozens of aspirational interiors and be inspired by a wide range of high-design flooring layouts.

The Camaro collection provides enhanced durability due to the ultra-hard wearing, easy to clean product construction, making it ideal for any residential interior. Available in a range of authentic tile & plank sizes and supported by a versatile collection of inlay accessories, the number of creative combinations you can achieve is limitless.

To replicate the natural material, the stone effect tiles may include variation in markings as part of their design.

INLAY ACCESSORIES

(2.0mm Gauge)

We offer an exclusive selection of inlay accessories that have been purposefully designed to enhance each shade within the Camaro collection.

Grouting Strips

Typically laid between stone tiles, grouting strips can be used as a subtle close-to-tile colour addition to your floor, or you can select a lighter or darker shade to create a contrasting effect.

Strip size: 3mm x 914mm

2031 Ice with Atlantic Slate.

Marquetry Strips

These strips are ideal for laying between planks to create designs such as ships decking, perimeter borders or highlighting room features like fireplaces and island units.

Strip size: 3mm x 914mm

2056 Maple with Bianco Oak

Design Tip: *It is worth noting that although the Grouting Strips are ideal for the stone tiles and the Marquetry Strips suit the wood planks, they can be mixed and matched between tiles and planks to further create a unique look.*

Note: As the Grouting, Marquetry & Cross Grain Marquetry Strips are cut from natural wood and stone designs, there will be variation in markings and decoration.

Cross Grain Marquetry Strips

Running across the natural wood grain, these eye catching strips create a distinct effect when used individually or in varied combinations.

Strip size: 10mm x 914mm

Strip size: 25mm x 914mm

1011 Classic Oak and 2512 Walnut with Sienna Oak.

Feature Strips

Feature strips bring a bold statement look to both planks and tiles. Create a focal point or use as a metallic highlight for a striking luxurious finish.

Strip size: 5mm x 1000mm

0028 Black with Atlantic Slate

YOUR CAMARO FLOOR

We are here to help, the following pages contain all the information you need to finalise your Camaro flooring selection. We also offer advice and further resources for keeping your floor looking as good as new after its installed.

STEPS

TO DESIGNING YOUR INTERIOR

1

BE INSPIRED

The first stage of designing an interior is refining your ideas and planning your finished look. You can find further information and resources on our website polyflor.com.

2

SELECT YOUR FLOOR

Browse our brochure, shadecard and retail presenter at your leisure and make a shortlist of your favourite designs.

Our room visualiser is also available to help you picture any design instantly, in every room of your home polyflor.com/visualiser, see page 99.

3

ORDER FREE SAMPLES

Free samples of every shade are available to order through our website polyflor.com or call the dedicated Polyflor Samples Hotline on +44 (0)161 767 2551.

4

DISCUSS YOUR PROJECT

It is always useful to be prepared when visiting your local flooring retailer. Start by providing a rough guide of the room shape and measurements. Be sure to bring your shortlist of chosen designs, including shade name and number.

5

ENJOY YOUR NEW FLOOR

We want you to enjoy your floor for years to come, so we have prepared a list of top tips to help you keep your floor looking as good as new. See page 94 for details.

LAYING PATTERNS

Here is a selection of creative designs to help inspire you when choosing your new Camaro floor. From clean and simple layouts to more ambitious and sophisticated designs.

BESPOKE CUTTING

YOU CHOOSE YOUR DESIGN

Polyflor have a highly experienced and creative design floor service team. There is virtually no limit to the designs that can be achieved using precision waterjet cutting, so if you have a bespoke design in mind which is not covered here, discuss it with your flooring provider.

MINI CHEVRON

FLOORCARE

Initial cleaning after your new floor has been installed:

- Avoid walking on the floor for at least 24 hours following completion of installation
- Sweep or vacuum to prevent loose dirt or grit from scratching the floor
- Polishing your floor can be beneficial to help prevent slight surface scratches and to provide further protection

Day to day cleaning:

- Sweep or vacuum the floor to remove loose dirt, grit or dust
- Use clean mops and neutral cleaning solutions to regularly clean your floor. Contact Polyflor for details of approved maintenance products
- Dilute the floor cleanser to the manufacturer’s instructions
- Mop the floor evenly
- Collect any excess liquid in a mop bucket
- Rinse the floor with clean water and allow to dry

Regular cleaning is more beneficial to the floorcovering and is more cost effective than occasional heavy cleaning.

- Do:**
- ✔ Install barrier mats at entrances to pick up grit and moisture. (Please note, some rubber-backed mats may discolour the floor)
 - ✔ Ensure your furniture is fitted with protective pads where necessary to prevent scratches
 - ✔ Use protective cups under heavy furniture to prevent indentation
 - ✔ Remove spillages as quickly as possible to reduce risk of staining and causing slip hazards
 - ✔ Always use clean equipment when maintaining your floor
 - ✔ Regularly trim pets claws as these can cause fine scratches

- Don’t:**
- ✘ Use abrasive liquids or metal scouring pads as these can damage the floor
 - ✘ Clean the floor with solvents, caustic detergents, washing up liquids, soap powders, bleach, furniture polishes, petroleum based products, pine gels, stain removers or highly coloured products. Such products may make the floor slippery or cause permanent damage
 - ✘ Drag furniture with unprotected feet across the floor

We highly recommend you use the Polyflor floor care kit to maintain your Camaro floor. You can find out more information and order your floor care kit from your Camaro retailer.

Regular light maintenance is more cost-effective than periodic heavy maintenance and more beneficial to the floor covering.		

For general information on your specific project, speak with your local Camaro provider. If you require specific detailed technical data, contact Polyflor Customer Technical Services on **+44 (0) 161 767 1912** or **email tech@polyflor.com**

GUARANTEE

The Camaro collection of luxury vinyl tiles has been developed to meet the highest technical specification of its product type. Ideal for all areas of the home, the products ensure high performance and optimum style. In addition, Camaro is suitable for moderate commercial applications such as light traffic areas within hotels, conference rooms and small offices. We recommend that adequate UV protection is taken to protect products being installed in direct sunlight, as fading can occur. Compared with many natural flooring options, Camaro will under normal conditions resist household stains and will not crack, chip or splinter.

The manufacturers of Camaro are confident that their high quality products will provide many years of valuable service. All products purchased from the range are guaranteed for 10 years against normal wear and tear in the recommended environment, provided that they have been fitted correctly and maintained in accordance with the manufacturer’s instructions. Full terms and conditions of the guarantee are available on request from your flooring wholesaler or Polyflor Ltd.

FREE
Sample Service
+44 (0)161 767 2551

We highly recommend you view a sample of your favourite designs, which is why we offer a complimentary sampling service. Visit the Polyflor website, call the dedicated Polyflor Samples Hotline on **+44 (0) 161 767 2551** or speak with your local Polyflor provider.

SUSTAINABILITY

The increased awareness of sustainable development is a key aspect of manufacturing and as such, Camaro is 100% recyclable, contains up to 40% recycled content and can be recycled through Polyflor’s recycling scheme, Recofloor.

Polyflor floor coverings contain a combination of materials which are clean, natural and recycled for a more sustainable end product. These materials are responsibly sourced in accordance with our third party verified BES 6001 certification. Camaro luxury vinyl flooring contributes positively to indoor air comfort and quality, it is certified by Indoor Air Comfort Gold and FloorScore® as extremely low VOC.

Polyflor is certified to ISO 14001 and ISO 9001 ensuring the best environmental and quality management systems. What’s more, Polyflor has achieved SA 8000 approved factory status, providing social accountability throughout our manufacturing processes. Not only do we look to minimise our carbon footprint, but yours too. Choose Polyflor for zero compromise on style, function and the environment.

For further details on Polyflor’s achievements in areas such as recycling, energy reduction and waste avoidance visit polyflor.com/sustainability
