Planning YOUR PROJECT

The TLC luxury vinyl flooring portfolio has been carefully created to offer a beautiful flooring solution for every project, whether installed in a residential or commercial setting.

The following pages are designed to help guide you through planning the selection, installation and aftercare of your new floor.

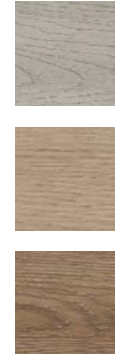

Selecting YOUR FLOOR

*Step by step, guiding you through the planning
process of your new floor.*

1

CHOOSE YOUR FLOOR

Browse our brochure, shadecard and retail
presenter at your leisure. Remember the
shade, texture and size of your new floor
will have a huge impact on the overall
appearance of your room. Be sure to make
a shortlist of your favourites including both
the shade names and numbers.

2

VISUALISE IN YOUR SPACE

See our beautiful TLC floors
in your own space, simply visit
polyflor.com and try our Room
Visualiser.

3

CHOOSE YOUR LAYOUT

Choose your pattern and matching inlay
accessories. The beauty of TLC luxury vinyl
tiles is that they are so versatile. There are
virtually endless possibilities when it comes
to deciding your flooring layout, see pages
98- 99 for more information.

5

CONTACT YOUR FLOORING PROVIDER

Contact your local TLC flooring retailer to discuss
your project and ordering your new floor.

4

ORDER SAMPLES

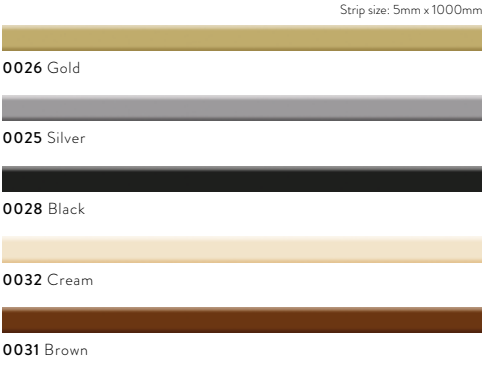

Free samples of every shade are available to
order through the website polyflor.com or
call the dedicated Polyflor Samples Hotline on

Keeping your floor LOOKING ITS BEST

The TLC flooring collections are designed to withstand the demands of their intended environment with their built in resilient wear layer and PU surface treatment.

We do however recommend the following advice to keep your floor looking its very best.

INITIAL CLEAN

Avoid walking on TLC flooring for at least 24 hours following completion of installation.

- Sweep or vacuum to prevent loose dirt or grit from scratching the floor.
- Polishing your floor can be beneficial to help prevent slight surface scratches and to provide further protection.

EVERY DAY CLEANING

We have developed the floorcare kit to help you retain the optimum appearance and resilience of your new floor. The kit contains everything you will need to maintain your floor on a regular basis.

- Sweep or vacuum the floor to remove loose dirt, grit and dust.
- Use a clean mop and Daily Cleanse to gently and evenly mop your floor.
- Collect any excess liquid in a mop bucket.
- Rinse your floor with clean water and allow to dry.
- Every 6 to 12 months refresh your floor using Prepare then Polish & Protect.

Included in the Pack

- | | |
